Solo/duo/trio practices can be extra valuable because you are working one-on-one with your dance coach. What are some skills you’d that you’re hoping to improve on this year through your solo/duo/trio work?

Not adhering to the Dance Lab Performance Team Code of Conduct may result in you losing your solo/duo/trio privileges. Are you prepared to conduct yourself as a leader and positive representation of The Dance Lab, and your team, in order to withhold this position on the team as a solo/duo/trio performer?

Thank you for taking the time to prepare this information ahead of time. Please know that, while you may have a lot of thought put into this already, there is still a chance you may not be awarded with a solo/duo/trio. We want our dancers to be pushed past what is comfortable, and to allow our dancers to compete only when ready to do so. If we see that you still have room to grow before competing with a solo/duo/trio, please take it as an opportunity to strive for something bigger or better next year.

All audition results will be emailed out within 2-3 weeks after the audition.
